

HAWAII

About Us

ALTRES Medical is a division of ALTRES Staffing, Hawaii's largest employment company based here since 1969. We provide supplemental medical staffing to clinics, hospitals and other healthcare facilities throughout the Hawaiian Islands. We offer 13 or 26 week assignments, competitive pay, company paid private housing, paid airfare, 100% paid medical benefits, and a paycheck the same week you start working. You may also qualify for tax-free compensation with our Travelers Tax Advantage Program.

Why Consider a Travel Assignment with ALTRES Medical?

Because we are based in Hawaii, we are able to provide better service and 'aloha' to make your Hawaii travel assignment an experience you'll fondly remember. When you arrive in Hawaii, we'll greet you at the airport with a lei and take you to your condo to get settled in. You'll receive local, 24-hour support and your choice of weekly or daily pay!

What We're Looking For...

To work at ALTRES Medical, you must have a minimum of two to three years of recent clinical experience, good references, and be willing to obtain, at your own expense, an RN license from the State of Hawaii prior to your arrival. Before being considered for a specific assignment, your skills and qualifications must meet the requirements of the hospital. In addition, you must be flexible and willing to work any days, any shifts, and holidays needed by the hospital where you are assigned.

ALTRES Medical has earned a reputation for being highly professional and having a strong sense of 'Ohana. We look forward to working diligently on your behalf.

Additional Information

Licensing
